- ◆ 1 and 2 star award
- ◆ National Water Safety Management levels 1, 2 and 3
- ◆ Foundation safety and rescue in paddle sport
- ◆ Mountain Medicine First Aid in the Outdoors
- ◆ Level 1 MIAS Mountain Bike Leader Award
- ◆ NICAS climbing award level 2
- ◆ Archery GB instructor
- ◆ NVQ level 2 in activity leadership

Who may attend and prerequisites

This thirteen week fully funded 13-week full time course is for young adults between 16 and 18 years old who want to gain experience in adventure activity or those wishing to enter the outdoor industry as an instructor.

What we provide

We will provide professional leadership and training in each of the activities described. We will organise your National Governing Body registration for each of the described accreditations, any equipment needed on a daily basis for you to attend the courses described and travel to and from any off-site activity locations.

What we can additionally provide

There will also be opportunities for you to gain invaluable experience with small groups of adventure seekers under the supervision of our own staff.

Personal equipment

Everything you will need for each of the activity modules can be provided and Cornwall Outdoors will also provide you with all necessary personal protective equipment such as buoyancy aids for canoeing and helmets for cycling.

Start date/location

The course will be based at Porthpean Outdoor Education Centre, St Austell, starting on Monday 30 October 2017. **Please apply early.**
